# What's Covered by StudentSecure®?

## Pre-Existing Conditions

After six months of continuous coverage, StudentSecure Elite and StudentSecure Select will provide benefits for pre-existing conditions (12 months for StudentSecure Budget).

A pre-existing condition is any condition:

- for which medical advice, diagnosis, care, or treatment was recommended or received within 2 years prior to your effective date of coverage
- which would cause a reasonably prudent person to seek medical advice, diagnosis, care, or treatment within 2 years prior to your effective date of coverage
- that existed (with reasonable medical certainty) with 2 years prior to your effective date of coverage, whether or not it was known to you

Note: StudentSecure Smart does not provide coverage for expenses related to pre-existing conditions except as provided for under the Acute Onset of a Pre-Existing Condition benefit described below.

## Acute Onset of a Pre-Existing Condition

Individuals who purchase a StudentSecure plan are entitled up to a \$25,000 lifetime maximum for the acute onset of a pre-existing condition. The acute onset of a pre-existing condition means a sudden and unexpected outbreak or recurrence of a pre-existing condition which occurs spontaneously and without advance warning in the form of physician recommendations or symptoms, is of short duration, is rapidly progressive, and requires urgent care. The acute onset of a pre-existing condition must occur after the effective date of the policy. Treatment must be obtained within 24 hours of the sudden and unexpected

outbreak or recurrence. A pre-existing condition that is a chronic or congenital condition or that gradually becomes worse over time will not be considered acute onset.

## Organized Sports Activities

Medical expenses for injuries or illnesses sustained while participating in intercollegiate, interscholastic, intramural, or club sports are covered by the StudentSecure plan up to a maximum of \$5,000 per injury or illness on StudentSecure Elite and Select and up to \$3,000 per injury or illness on StudentSecure Budget. StudentSecure Smart does not provide coverage for organized sports activities.

## Mental Health Disorders

StudentSecure provides benefits for mental health disorders. Drug and alcohol abuse are covered under this benefit on the Elite, Select and Budget plan levels. Treatment for mental health disorders is covered only if not obtained from a student health center.

## Emergency Dental

The following emergency dental expenses are covered: emergency dental treatment and dental surgery necessary to restore or replace sound natural teeth lost or damaged in an accident which is covered under this insurance subject to a maximum of \$250 per tooth and \$500 certificate period maximum; and emergency dental treatment necessary to resolve acute, spontaneous and unexpected onset of pain subject to a maximum benefit of \$100 per certificate period.

## Emergency Medical Evacuation

Would you know what to do if you found yourself in a life-threatening situation far from home? Tokio Marine HCC – MIS Group is experienced in arranging emergency medical evacuations. StudentSecure will cover eligible expenses necessary to transport you from an initial treating facility to the nearest medical facility qualified to treat your life-threatening condition. We also understand the importance of family support in these difficult situations. StudentSecure will also cover the transportation, lodging, and meal costs for a relative to join you after a covered emergency medical evacuation, up to the lifetime limit.

## Terrorism

In these turbulent times, the risk of a terrorist attack is a reality. If you are in the wrong place at the wrong time, StudentSecure Elite, Select, and Budget offer coverage for eligible medical expenses resulting from these acts. Coverage excludes countries or regions for which the U.S. Department of State has issued a level 3 "reconsider travel" or level 4 "do not travel" advisory.
